“ Alice was my mom's cousin but she treated me like I was her own at those big family gatherings so long ago. I'm sorry that she had to leave us but I know that my mom is happy to see her again, which makes me feel less worried about the both of them. I would like to offer my condolences to all of you who will miss her tons and more. I'll keep you in my thoughts and prayers.

“ My Aunt, My Godmother, part of the foundation of my life, so many memories, from early days of my life always being together at the lake in your sun hat, at Nono & Grandma Rere's for Sunday dinner, going to the Maybrook flea market, your house or my parents house to you always sending a card with a nice handwritten message. I will always cherish your beloved memory. May you rest in blessed peace.
