“ Our dear friend Kay passed away on the 29th of January after a short illness. She became a member of our family for over thirty years. She will always be loved and missed.

I have had the extreme pleasure in taking care off Kay for ten years; and for me, every day was a blessing for me.

As a social worker, God gave me Kay to take care of and it was truly beautiful experience doing whatever necessary to keep her comfortable. I will miss those days always and the wonderful joy she brought to me and my family.

God bless you Kay. I know your truly home with all your wonderful family and friends.

God speed my friend. I,ll miss you always.

Love,
Carol & Ed
