“ *It was 1979 or thereabouts. I became the first woman to join the Essex county carpenters union. Greg was the only person to treat me as though I deserved to be there. His kindness, generosity and friendship will always be remembered and cherished.*

“ *Greg- Dottie and I want to express our deepest sympathy in the passing of your son. It is hard to understand why he was taken so early in life but find comfort in knowing that he is in heaven and he had left us all with memories of the good times we had together. Cherish his memories as we will. God bless you and his family. Mike and Dot Duffy*
