“ Arlene and Family, I am so sorry for the earthly loss of Roger, but I know Heaven is rejoycing his return. I know Danny and Luke were waiting to greet Roger. Although the times I spent with Roger were few, he left a lasting impression on me with his kindness and conversation. My prayers are with you all and may GOD stay close to you with his comfort in the times ahead.

Love to you all,
Robin

Arlene & Family,

We are so sorry to hear of Roger's passing. What a wonderful, kind, & gentle man he is. Robin and I feel so fortunate to have had the pleasure of meeting and spending time with Roger & Arlene. In 2004 & 2005 we spent time at our cabin in Arizona and shared in the pain of losing Danny & Luke. We all comforted each other while sharing stories of our boys. In 2008 we were welcomed at your home in Vernon and were blessed to meet most of the family. The years have flown by. We will always remember the closeness, the laughs, the special moments, the comfort, and the pain. Emily & Dave also spent some time with Roger & Arlene at a campground in Pennsylvania. We still speak of that amazing visit. Roger will always be remembered by us as such a kind man of few words, but when he spoke it was always something very special and memorable. We will never forget his caring ways. The few times we spent with him has left an undying memory on our hearts. We have been forever touched. I know when Roger crossed over Luke and Danny and so many other family and friends were waiting to greet him. He is at peace in Heaven, the place we all long for. Our thoughts and prayers are with all of you in the difficult days ahead.

Love,

Christine & Robin & Luke
& Emily & Dave.
