

Adrienn Kovacs

April 7, 2011 - January 22, 2026

Vernon — Adrienn Kovacs, age 14, peacefully passed away on Thursday, January 22, 2026, at Goryeb Children’s Hospital in Morristown, surrounded by her loving family. Born in Brooklyn, New York, Adrienn lived in the Bronx before moving to Highland Lakes, Vernon in 2020.

Adrienn was a bright, driven, and talented girl whose passion and determination touched everyone who knew her. She was deeply involved in her school and community and was a student at Vernon Township High School, where she played saxophone in the school band.

A dedicated student, Adrienn was a proud member of the Junior National Honor Society and the National Junior Art Honor Society, where her creativity shone through her pottery. She was a member of the Sussex County YMCA swim team as well as her summer Highland Lakes swim team. Her love for the water was matched by her discipline and focus, and she proudly placed fifth at the state championship—an achievement that reflected her determination and goal-oriented spirit.

Above all, Adrienn loved to create, learn, and challenge herself. She will be remembered for her drive, her strength, and the joy she found in pursuing the things she loved. She will be deeply missed and forever cherished by all who knew her.
