“ *I remember Allison as such a sweet and wonderful friend when we worked at Sani-Tech together back in the 1990's. I remember Allison as such a beautiful young lady and when she had Rachel she glowed with happiness! Rachel was her life and her pride and joy! I lost contact with Allison until we met again on Facebook where we re-connected as old work buddies ...enjoyed so much seeing how much pride and joy she had for Rachel and her two grandsons! I will always Remember Allison and her beautiful smile and cheery personality...I am so sad she has left us so young, but she has gone on to a better place with our Lord in Heaven. We will all meet again there someday. Until then we will miss Allison dearly. Sending my deepest sincere condolences to all of Allison's family at this very difficult time. Love, Allison's former work friend--Alice Spewak Frey.*

“ *Allison came to work with us when we had a crazy idea to start a pharmaceutical rubber company - and she was great. She was the detail person, always willing to do whatever was needed. Although I didn't get to work with her much, she always had a smile and a laugh. Our condolences to your family. Rest in Peace Allison.*

“ Allison was such a significant part of the Amesil family, she made a difference to me and my colleagues during our years in Oak Ridge. My partner and I are retired now, but never could forget all the great memories we all shared during that time. She made my job easy, and made it personal to connect with everyone. She will be missed.
