“ Andrew was a very good dude that stood firm in his beliefs. We wiiid chat about music, DJ gear and food! He loved when his wife cooked - it made him feel complete - that was the cherry on top. Very proud of his wife's love and cooking. You will be missed my friend.

“ Andy was many things but the main thing I remember was that he was a proud American and 2nd amendment advocate. But above all a friend who cared. Always in good spirits and a smile on his face. We really miss him but for sure his big smile and warm personality are shining down from heaven. Rest in piece friend.
