“ To my family,
I will miss my Auntie Anna, though we did not see each other often, my heart was always full of love for her. I felt while she was still here, I still had a piece of my Uncle Servaas too, which was a comfort for me. To me, they were always two peas in a pod, meant just for each other! I know she is with my Uncle in heaven and they are together again, and I just bet my Uncle Servaas will be singing for eternity to her, and that, just makes me smile!! To my cousins Putty and Michelle, I hope you find comfort in happy memories of your Mom, she was a special lady and you were blessed to have her. Love to you all!
And as my Auntie Anna would always say to me
God Bless you!!!!
Love,
Wendy Verbiest-Neal
