“ My name is Theresa and I have a daughter from Mrs. Cully 's late son Aberdeen Cully Jr. Mrs. Cully always treated me like I was her daughter. She would talk to me like a mother would talk to her daughter. When she cooked food, if it was something she knew I didn't eat, she would fry chicken for me. I am going to miss our phone calls. Mrs. Cully would always talk to me about God. She said God will never leave us or forsake us. She always listens to Jimmy swagger . Mrs. Cully was such an inspiration to me and I thank God for her. I loved ❤️ her and made sure I said it to her every phone call. Mrs. Cully is absent from the body and present with the Lord.

My condolences to the family
