“ We all miss you anthony. Everyday kyle struggles going through life without you although he knows now that your in a better place its still a struggle. You were more than his uncle ant, you are and was his best friend, his role model and his super hero. Not a day goes by that we dont think of you. Kyle prays and talks to you each and every night and he knows that your looking down on us. Untill we meet again. Just when we do dont try to lose him in a tree stand again.. we love amd miss you .
