

Austin Michael May

May 27, 1982 - October 27, 2018

Frankford - Austin Michael May, age 36, unexpectedly died on Saturday, October 27, 2018. Born on May 27, 1982 in Newton, Austin was such a vivacious loving soul. He loved to be around people and made everyone laugh. Austin was a warm hearted good natured soul that had so much to offer the world and he had the world in his hands. He could have went so far in life, but his demons controlled him. He just could not beat the demons that haunted him for so many years, even with the loving help of his mother and step-father . Austin tried so hard to fight his poor mentally ill soul, but his demons controlled him and they just ran so rampant. He will be missed and loved by all he touched in his life, but he is now out of his pain that held him back from taking the world by storm. May he rest in eternal peace with his sister, Deandra that has predeceased him, his father, Michael May, and his grandfather, William May. He is survived by his mother, Elise (Guadagno) Hutchins and his step-father, Joe of Frankford. Friends may pay their respects to the family on Monday, November 12, 2018 from 4 p.m. to 8 p.m. at the Pinkel Funeral Home, 31 Bank Street (Route 23), Sussex. Burial will be private for the family. The family asks that everyone who knew Austin to pray for his soul and may he rest in peace eternally. Online condolences may be offered to the family at www.pinkelfuneralhome.com

“ Hello Neighbor,

I'm sorry to hear about your loss and our sympathy goes out to you and your family.

We know that many people have their own religion but you will agree that regardless of our background we all have to deal with the loss of our love one.

Please watch this two minute video called "What is the condition of the dead?"

After watching the video, please go to the link listed below. It will take you to a brochure called "Good news from God!" This brochure will help you answer the following questions that was mentioned at the end of the video.

- *Who will return to life?*
- *What does the resurrection tells us about Jehovah God?*

*<https://jw.org/en/publications/books/good-news-from-god/>
(Please copy the link and paste it in the address bar of the internet webpage)*

While you are reading the brochure, it will be very helpful to read it along with your Bible. This will help you to understand what the scripture means to you.

If you have any questions or comments, please feel free to contact us.

Take care and have a blessed day.

Sincerely,

The Vanegas Family

“ Austy, I'm so sorry I was unable to attend the wake to say my final goodbye. I'm so glad we became friends in high school. I always had so much fun with you. I drove your crazy ass to school everyday with Jenny, Lizzie and Tisha. I'm happy that I introduced you to Keith and all my Haledon friends, they all loved you. You were hysterical and always knew how to make people laugh. I will cherish all of our memories. ❤️Nicole

“ *I only met Austin once and that was at another friends (Kathy Mannion) funeral repass at the Atlantic Manor. I was drinking sangria by the pitcher, it might seem.....and he came up to me at the bar and said...."Come here often?" I giggled and said as often as I can.....He was funny and handsome and did I mention funny? It was clear to me that he had a sweet soul and fun disposition and he was so easy to talk to. I am so sorry I didn't know him better but I'm honored to have met him and spend even the smallest amount of time with him. GOD SPEED. May his weary head rest peacefully on God's pillow always!*

“ *Austin, this is how I will always remember you: You were my first true love. I found out who I really was because of you. You gave me the courage to come out of the closet (completely). We had many ups and downs throughout the years. Even though we haven't spoken in a while, that does not change our amazing bumpy past. I loved you then, and I love you now. I hope you are at peace. Know that you will always be alive in my thoughts and memories.*

“ My dear friend, I wish my words could be enough. In reading about Austin and all the kind words from friends, I feel robbed because I never had the chance to know him. I pray he is at peace with his Dad and his sister while I pray his family can find comfort and strength in his memory.

“ *I didn't know Austin well. I had the great fortune to meet him sadly at a funeral repast of someone very dear to me, and that was Ogdensburg business owner Kathy Mannion.
