*Marcia & Family,*

*Often times I'd refer to Bill as my father due to a person one time asking me at a camper show if he was my father and it stuck. Bill aka Dad, was a man of many talents and he was the kind of man during his hard working life who would absolutely do anything for anyone and anytime. These folks hardly exist anymore or are a rarity. I loved Bill because he taught me things, albeit his way, about many things in life and for this I am eternally grateful. Marcia knows best this and is and will always be a part of our family too and god bless you kiddo. Our time together lives on and can't wait to be with you soon.*

*Love,*
