“ Dear Brother Ken and Family:

My family and I, especially my Mother who is also age 97, were deeply saddened to hear of the passing of your Mother.

Unfortunately, we will be unable to attend the funeral arrangements since we are leaving for Texas early Tuesday morning to spend Thanksgiving with our daughter. My Mother is on a walker and does not go out at all any more.

*With Deep Sympathy,

I am so sorry. I hope your memories will sustain you through the difficult days that follow. I have over 20 years of memories that make me smile whenever I think about your Dad. Cry, scream, do whatever it takes to release your hurt. Know that God has huge shoulders and will comfort you always.
