“ *Bern was a true friend, great Mom and a top nurse. She put her heart and soul into everything she did and I was privileged to call her my friend. She was so proud of her children and the grand babies made her life complete. May she rest in peace and know she left a mark on this earth for all the care and love she gave her patients. My prayers are for her family whom she loved completely. She took pride in them and all of their accomplishments.*

“ *I've known "Bern" as I called her for 13 years. I am deeply saddened by this loss. My condolences to her family. We went to nursing school together and worked together briefly. Although we didnt speak regularly, when ever we did, we spoke for hours just shooting the breeze. She was kind , funny, thoughtful and devoted to her family. I will miss her very much.*

“ *Bernadette raised some of the kindest, hardworking, and humble children I've ever had the honor of teaching. I know she was an inspiration to her daughter, Emily, with her nursing career and innate desire to help others. May her memory live on and continue to inspire those who knew and cherished her.*
