“ I was so sad when I found out about Betty's passing. Always such a friendly and happy person. The one thing I will always remember about her was her love of Betty Boop! My deepest sympathies to the family.

“ Dear Betty; What can I say about you, so many words have been said, we in the family know the real you. The kind of person you were. A true friend, a good cousin, a wonderful and thoughtful niece, loving daughter and giving and caring sister. You will be missed more than words can say, except these: We loved you then and we love and miss you now. Rest in peace.

“ *Many years ago my husband and I rented the house that was a diner. It was Christmas and Betty loved kids and dressed up as Santa and came bearing gifts to our young son who was three at the time. When she came in doing her Ho! Ho! Ho! She picked our son up he looked at her turned and said, mommy Santa looks just like Aunt Betty. Rest In Peace Betty*

“ *Betty was always Betty.. She called a spade a spade.. She cared for everyone in her family and her extended family. Personally, she made sure my family knew what was going on amongst other family members a little removed. She was hardworking always. Betty was herself always. If you knew Betty, you know exactly what I'm talking about. She is an irreplaceable link within the Cosh and Slockbower family. Find your peace. Find your wings.. you deserve all of it and more.. Love you... Marsha*
