“ I was so saddened to hear of Brenda's passing. I got to know her well when she worked in the bookstore. I appreciated her big heart and hard work. She really became part of our family.

She would say she hoped she had enough time here to get Doug through high school - and she did.

I send my love to the family - I know you must miss her!!!

“ I was so sorry to hear of Brenda's passing. She worked in my bookstore for 11 years and I could not have had a more conscientious employee nor a better friend. And she was a real fighter for life. She fought the damn cancer for about 20 years and won a lot of battles with it, not just physical but emotional and mental ones too. She loved all her children greatly, and she expressed that to me in so many different ways. Even when she was mad at them it was because she loved them so much. I hope for them that their loss is not too painful, and I wish for Brenda's spirit all my best.
