“ *I just learned about the death of Brian. He was my very first love and my best friend! We did everything together and my memories are so beautiful of our time back in the late 80's. I will always have a very special place in my heart for him. Over a year ago, we reconnected on Facebook and he had so much pride for his children. My prayers are for all of you (his family). May God provide you with HIS warm embrace. He will never be forgotten.*

God Bless,

“ I had the pleasure of having Brian as a student in my fifth grade class at Wantage School. A shy, energetic boy with blonde hair. On a field trip to Stokes State Forest's Tillman's Ravine, Brian fell and got over thirty stitches in his eyebrow, I think he carried the scar forever. I think of him often. I am so sorry for his passing and pass my true sadness and condolences to his family and friends. I will always think of him with this fond memory of his strength and courage.. Please rest in peace Brian...
