

Brian S. Kardos Jr.

April 3, 2004 - March 12, 2021

Wantage - Brian S. Kardos, Jr., age 16, unexpectedly passed away due to a tragic accident while working on Friday, March 12, 2021 in Wantage. Born on April 3, 2004 in Newton, Brian attended Sussex-Wantage schools, then the Sussex County Charter School for Technology and was currently a Junior at Sussex County Technical School in the diesel program. Brian was an active member of the Sussex Tech Archery Club, the North Jersey Antique Engine and Machine Club and had raised money by shaving his head in solidarity for the St. Baldrick's Foundation for 9 years, having reached the level of "Knight of the Bald Table." His greatest love and absolute favorite past time was tractor pulling his John Deere 112. Brian enjoyed tinkering with his tractor and trying to find new ways to achieve the "full pull." He also loved hunting, fishing, camping, farming, watching the Green Bay Packers and going to work. He was an extremely hard worker with an outstanding work ethic. Brian had a huge heart and was always willing to lend a helping hand to anyone who crossed his path. He was loved by all and has certainly left a hand print on everyone's heart with his good nature, laughter and cheerfulness. Brian was a friend to all, was a listening ear to many and had an enormous infectious smile.

He is survived by his mother, Sherri Cameron and her husband Chris of Wantage; his father, Brian S. Kardos, Sr. and his wife Melanie of Wantage; his sisters, Baylee and Chessa Kardos of Wantage; his maternal grandparents, William and Georgina Brown of Milford, PA; his paternal grandparents, Sharon

and John Kardos of Wantage; his step grandparents, Michael and Linda Iaconetti of Ridgefield Park; his step great-grandfather, Eugene Iaconetti of Ridgefield Park; countless aunts, uncles, and cousins; his loving dogs, Spencer, Penny and Biggie; and his cat, Callie. Friends may pay their respects to the family on Tuesday, March 16, 2021 from 4 to 8 p.m. at the Pinkel Funeral Home, 31 Bank Street (Route 23), Sussex. Funeral services will be held at 11 a.m. on Wednesday at the funeral home. Interment will immediately follow at Clove Cemetery with a repast at the Sussex Fire Department after the burial. Due to New Jersey government health restrictions, attendees will be limited and are required to wear face masks at all times and practice proper social distancing. Virtual services will be available for anyone who would like to view Brian's service. The link is <https://www.youtube.com/watch?v=1mdOe5kQL74>

In lieu of flowers, please consider a memorial donation in Brian S. Kardos Jr.'s memory to the North Jersey Antique Engine and Machine Club, 67 Branchville-Lawson Road, Newton, NJ 07860 or to the Sussex Fire Department, St. Baldrick's Team, 15 Loomis Avenue, Sussex, NJ 07461 . “ *I can't believe after knowing Brian for years since Charter, I only started talking to him this year. But I wouldn't trade in the little time I was friends with him for anything. He was one of my best friends and the biggest ray of sunshine in everyone's lives. He never failed to put a smile on everyone's faces and to make everyone laugh. I remember when we first started becoming friends he made a joke about the Grinch, so the Grinch will forever mean a lot to me. I loved how often we would talk, and he would always call me and we would talk for hours. Brian and I always had something to talk about. I'm never going to forget him and that huge amazing smile of his. A piece of me will forever hold onto him. I love you Big Angel <3

“ Brian was always there for everything. Brian was the one that I went to for everything. He was the one I went to when I just wasn't feeling myself and he would always have a way to help me. He was the one that gave the best advice. He was also the one I went to when I needed someone to talk about some problems I was having and he always knew how I should fix them. Now I never met Brian but over Snapchat, he was my best friend. He is still my best friend and always will be. I hope you are fixing everything you can find up there. Brian this was the worst goodbye I have ever had. I know you wouldn't want us to be sad this long but your goodbye is the hardest for a lot of people. "The worst goodbyes are always the ones that are unexpected." For your family, I am so sorry that he was taken out of your life at such a young age. Brian rest in peace and I wish I could be at all the services that your family is having for you but just know if I could come you know I'd be there. -Hannah Ellicott

“ Dear Families and Friends of Brian Kardos Jr.,

Brian was my student in fifth grade at Wantage School. He was such a light in the classroom and if an opportunity arose to help me or another student Brian was the first to offer his help. He was kind, sincere and fun. He loved to laugh and our truck talks would turn to tractor talks. He loved his family, pets and friends. He was truly a special young man and will be missed by us all. May he rest in peace. I offer my heartfelt condolences to the family. May God bless you all and bring comfort to you all.

“ It was an honor to have that young man drive and drive and drive and drive my Oliver tractor at the fair grounds last year. The Kardos family came into our lives just a few short years ago and what an impact young Brian had on Chuck and I. What can we say about young Brian...mom and dad said it all...it was beautiful.
