“ Brice was always one of my favorite cousins. He and his sister, Lee often babysat my brother, Dennis and me. Oh the silly games we played! Skunk and Cootie among them. Since we all lived in the Sussex area we spent holidays together at the farm with our grandparents. Later he and Susan bought a house almost across the street from us. Even after I moved to Virginia I would always make sure to stop by when I visited my parents. In later years as my parents aged, he was so kind and helpful to them. I am very happy that I visited him and Susan two years ago and that they were able to meet my grandsons. I will miss you. Love, Marty

“ Brice always was very nice and helped when ever or where ever he could help, He also helped me one time get my walker up the church steps. In fact it was him and Earl Snook that helped me to get up and down the church steps and into the Sanctuary. Brice go rest high on that Mountain, Your work her on earth is done. RIP Brice, You will be greatly missed by all. You were a good and faithful servant of God's now you are a angel of God's. My thoughts and prayers goes out to his Family in this difficult time.
