“ *Amber and Austin, being one of the first ones to know that this baby was on the way was an exciting thing for me. but hearing that I'd also be "aunt Skyler" meant the world. I feel so guilty that I never got to hold him in my arms and tell him how special he was. he was a beautiful baby, and a child of Christ. for whatever reason we are not sure of right now, Brice has a special place up in heaven with God. you were the best parents Bryce could've wished for and I know you both loved him so very much. I love both of you more than you'll ever know, and you're always in my prayers. <3*

“ *To my Grandson..... I only got to know you for a few days..... In those few days I thought of a future of playing ball in the yard like I did with your father and uncles... I looked upon you, and so such innocence.. The precious days you blessed us with your life with truly be missed.... God gave you to us as a gift, then took you back.... I can only believe , that he wanted you for himself, because you where so special... The loss we feel is overwhelming, but the LOVE you let us feel is priceless.... You will always and forever be apart on my soul and in my heart.... Love you Grandson*
