“ Dear Joey,  
I am sorry for the lose of your sister. She was crazy about you. Life was simple on our lake road. The Fitzgerald's could not have had better neighbors that the D'Amato's. Joey I'm so sorry, she was a good egg.

“ Dear Peter, Lauren, Neil  
I am so sorry to hear about Camille. I am so sad, I have been thinking about her all week. I can't imagine how you guys feel. She was a wise woman, and she was funny! She was also my friend. I am sorry that I lost touch with her over the years. We spent our summers together. I played in George and Vera's house before it was finished. What nice people! And boy where they fun. They stayed up all night and play cards. Camille made me english muffin pizzas. She took my sister and I to the hospital when Barbara cut her foot, and my Mother wasn't home. She gave me the prettiest gift for my baby. She met the love of her life, and had a beautiful wedding at Wayne manor. She was so excited to be pregnant with Lauren, I think that's when she stopped working ( teaching in Jersy City) the family was worried about her safety. It was a little wild there. 5-6 years later her boy came along. Beautiful family, your picture is on my refrigerator, someone won an award. I think it was Lauren. She was a proud Mom. She gave me great advice, she listened to me. I am again so sorry. I wish I would've got to tell her what she meant to me. I wish I could go to the Mass tomorrow. I pray that you are somehow comforted by her love for you.
