“ *I've known Carl since I was 13 years old when he and Louise were dating! He always called me "SAM!" My husband met him when we were dating. Louise is like a sister to me and Carl like a brother. We are all family! I'm so heartbroken at his passing, but we know how much he was suffering and that he's now happy with the Lord. Even so, we'll miss him terribly. He was such a very Special guy in so many ways! We can't say enough good things about him He was caring, giving and so much fun to be around. RIP Carl. You'll always be with us with wonderful memories and you'll be in our thoughts and prayers and in my heart. With Love Always! JoAnn and Carl Stone*

*We and our family send our Deepest Condolences to Louise (my "sister") and all the family!!*
