“ Rest In Peace Carol. You will be missed. I am grateful that you had the chance to meet all of my children before you passed. I was their age when I first met you, after finding your signature hot pink card on the bank bulletin board. We spent countless hours painting laughing and solving the worlds problems around that table in your basement studio. I wish we had more time. We left nothing unsaid. I just wish we had more time. I'm glad you're with Richie. Mom, Dad and I are all thinking of you. You will not be forgotten.
