“ So many wonderful memoires and such good friends. We loved going to Quiet Valley Farm Museum and reliving the old way of doing things. We couldn't wait for the next year to go back with Joan & Charlie. Of course we had such wonderful memories of "The Plum"(our restaurant) We will never forget our wonderful friendship. We will miss you. Harvey & Cathy Leek

“ Dear Dad,
I cannot believe that you are gone, but I wanted to tell you again how much I love you. I know that the past year has not been easy for you. I would call you and you would pick up and maybe disconnect me and then I would call back and the line would be busy. Then, I would wait and worry and call again and you would pick up and complain about the “blankety-blank” phone and we would talk. (Technology was not your thing.) I can’t do that now, Dad, but I can talk to you in my heart, where you are with Mommy now. Rest in peace, my wonderful father. Jó éjszakát (That’s Good Night in Hungarian.)
Love,
Suzie
