“ Dear Michael,
I am very sorry for the loss of your father.
My prayers are with you and your family.
May the peace of GOD comfort you all and His love surround you.
Sincerely,
Anna Zwicker

I am sure you are wondering who I am. We have not seen each other in over 35 years.

My maiden name was Cipollo (Annamarie Cipollo) class of '82.

I was friends with Joey Williams and graduated with him.

You and I meet in Ms. Baker's art class when you were in 9th grade.

Then when I was a senior we had a reading/writing class together with Mrs. Furman.

We became pretty good friends in that class. Because of my love for baby chimps you decided to nick name me "Monkey" for the whole school years. You actually signed my yearbook that way.

It was strange, the other day (Tuesday) out of the blue your name and face popped into my thoughts, only to see the following day your father's passing in the paper.

If I didn't already have a previous commitment that I need to do this weekend, I would be giving you this condolence in person. If you remember me and would like to contact me you can send me an email at azwicker@minisink.com. I work in the middle school at Minisink as a teachers aide for special ed. I would love to hear from you.

Words really aren't enough when your heart is grieving the loss of someone you love. I lost my dad unexpectedly three years ago and at times the emptiness and sorrow still feels fresh. I pray that the Lord will bring you and your family the comfort and love you need to walk this journey that is before.
