“ John & Mike - so sorry to learn of Dan’s passing. Dan was an ever present part of my youth from grade school through high school and early college days. Carefree days on the tennis and basketball court, bike riding camping trips on our 10 speeds, and of course road trips in his Porsche 914 (only kid in our class who owned a Porsche)! I’m sorry we weren’t able to remain in touch in adulthood, but Dan and the entire Stendor family will always have a warm place in my heart and memories. We will remember him fondly in our upcoming HPR 50 year reunion later this year. Warm Regards Scott Smith.

“ So sorry to hear Annette, John and Mike.
This is J Nowicki. I hope you all are doing okay.
I have an incredible memory of Dan & myself taking a 700 mile bicycle trip to a foreign country (Canada) when we were 16 years old on our Schwinn 10 speed English racers. And race we did!
120 miles first day to other side of Binghamton, NY on first day! His sense of adventure was contagious, what an athlete. We met so many people. One time I finally caught up to him as he just finished fixing a flat tire and he was gone in the dust again paving the way ahead. Phenomenal trip, kept me on a two wheeler the rest of my life and counting. Memories never go away. Thanks Dan you are missed.
