*Not a moment goes by on how you disrespected his right to belong in HIS daughter and grandchildren lives. He had a wonderful life after you. I'm thankful my children and grandchildren got a wonderful pop-pop ...not a day goes by without him being loved, respected and honored in life, as in death.*

*Dave and I were talking about family, and I asked him why he hasn't reached out. He was unsure how he would be accepted because of the damage he believed was caused by a certain person years ago. We searched for your phone number and found it, and I told him to call. He did, and he waited for a reply. He talked about you every so often over the years we were together. He loved you too.*

“ *To the man who made our lives complete. My heart is broken, there is no “me” without you. Our family loved you completely... You are my best friend. you were pop-pop to our babies. ..hazel puppy misses her daddy so much🐶 All the things we had, the truck, the motorcycle..we had some fun times cruising around.. all been taken away. Every one of them will always have their pop-pop close to them. Every one of them will be told as they get bigger what a wonderful man you are. There will never be another you. I love you forever and always ....OUR FAMILY will never be the same without your presence. We loved you, respected you...we cherished you. But you knew that anyway because we showed you and told you everyday... I love you pookie...❤️❤️❤️Keep watch over us....*

*Beautifully worded, Nancy. I'll always remember our spur of the moment trip to Wildwood in Dave's Toyota. We had a blast.*
