Mike I am so happy that we reconnected a few years ago and I got to spend time with you. Such a jokester, I wouldn't expect anything less from you. I will always admire your determination to be as independent as possible, you learned how to do so many things on your own. Limitations of course, but you pulled it off. I will miss you very much, see you one day, I guess I might let you tell a joke or two.
Love ya
