“ Brian, Sean and Nicole had Mr. Thomas as an AEP instructor and Solar Sprint Advisor when they were at Sussex Middle School, 2008-2011. Needless to say, he was an exceptional instructor, educator and a true gentleman. He cared about his students, inside the school setting as well as their home life. He is one of those teachers that my children will never forget....We have made a donation to the Sussex Help Center in his memory. In sympathy,
