“ My amazing sister in law....words can't express the sorrow in our hearts! Time goes way too fast and I wish I could change so many things. You are missed now and will be forever. You have left your mark here in so many ways, but the most important is in the 2 wonderful young men you have raised in the boys and in the heart of my brother! I hope you are at peace now and I know you would not want the sorrow...so I will "toast" your memory...here is to the strongest woman I've known, to you Deb XOXO
