“ *Dennis, always remember that I love you. I hope you know I tried my best for you. You are safe in God's House now and He and Mom will watch over you. You'll also see your parents and Baggy again and someday I'll be there too. I miss the sound of your voice and my backrubs but mostly I miss how you always played with my "little hands." Please keep sending me your messages as I will be watching for them. Forever, Your Jo PS I don't like getting my own breakfast.*
