“ Last summer after my husband passed, I asked Linda, Diana and Owen to take a mini vacation with me so we could all get away. We went to the Inner Harbor in Baltimore and everyone enjoyed themselves so much. The aquarium, rides on the duck and water taxis and going out to eat. We all crammed into one room and had the time of their lives. Going to the 4 D theater in Aquarium and sight seeing were second to none. Those memories will be cherished forever.
