“ I was shocked to hear this sad news this morning!! Dominic was to me was a mentor. He set me straight many times in my early years with UPS. Being a post Viet Nam Navy Veteran myself he took to me right away. As a young man trying to find myself in the early 90's just getting out in the real world after the Navy I was high strung!! Just my Italian nature lol. However I learned alot from his wisdom. Dominic to many was a father figure, an uncle & above all a brother!! Ups blood runs deep! I missed him over the years! He's probably the only Clerk Shop steward that was able to build a cage built like Fort knocks on the companies dime!! Lol. Times have changed & the cage was history....sad. However we have minorities to reflect on. God speed Dominooch! Rico
