“ I was very sad hear of Don Lott's death. I believe that he and I were the last two of the living grandchildren of Eva and Peter Lott. Don was blessed with a long and fruitful marriage to Arlene.

“ Dear Donnie, Linda, Gerry and John,

Your parents were like second family to me. Dad did so much work for your folks, we visited you often. Your dad was a quiet , kind man. I have so many memories from the farm. The 1966 Mercury Comet your mom washed by the milk house and snow fell off the barn roof crushing it. You mom and dad shared so many adventures. Let these wonderful memories guide you through this difficult time, bu know your dad is at rest and at peace. May you all find comfort in your family and friends.

“ Dear Jerry, Gale , "Grandma Lott", and the Lott family, We send our prayers and love to all of you. "Grampa Lott" as we called him, will always be remembered to us as being at the farm, showing the kids the animals. Even thou we were only family by marriage our kids called him "grandpa Lott". Rest in peace.
Love, David & Dee

“ *I remember spending summers on the farm with Aunt Arlene and uncle Don. Uncle Don and Linda taught me how to ride a horse. On one visit my dad rode Linda's horse and he took off. Dad said he didn't think I should ride him. Uncle Don said not to worry, as he knew horses and this one especially. I got on and Onnie plodded along in a slow walk, smart horse and smart Uncle. He was a second dad. I will miss him!*
