“ *Susan and Ella:*

I have many fond memories of Don and the multiple varieties of foolishness that we got into together some thirty years ago at Gordos Corp.

Please know that my thoughts and prayers are with you both during this most difficult time.

“ *Susan and family,*

My condolences to you and your family. I worked with Don in the design group at The Navy PHST Center Picatinny. He was well liked and will be missed by all his coworkers. I take comfort that Don put his faith and trust in the Lord Jesus Christ and His promise of eternal life.
