“ To Elizabeth Kieffer Family: My thoughts and prayers go out to you and her Family in this difficult time. Liz and I worked together at accurate Forming and we had good times there. Her and I loved our little talks when she lived here in Sussex Nj next door to me. We were going to set up a day to have lunch together and talk about the good old days. Gone to young but not forgotten. Fly high with the angels Liz fly high with the angels. You will be missed by all who knew and loved you.

“ Liz & I met when we worked together at PHA, she was the person who trained me. She was very blunt but that's what I liked about her. You always knew where you stood with Liz, she didn't beat around the bush, she told you the way it was. I am so glad I got to see her 1 more time before moving to Virginia. Liz was a great woman who will be missed. Fly high to the angels.
