“ My condolences for your whole family. Please remember Liz for the beautiful, vivacious, and compassionate loving person she was . You should be so proud of raising someone that was so loved . I am so thankful that I have gotten to meet and work with Liz at Ulta . I will always remember the great laughs the long talks about what family means to us and how her laugh was so contagious, and she always had a smile on her face. Remember all the good time you have had and shared happy memories . She is the most beautiful angel up there , can't wait to meet again . We will laugh and talk again . I will miss you . Love always Chris Ficon
