“ Dear Chirpie - We extend our deepest and heartfelt sympathy to you and your entire family at this sad and difficult time. We want you to know that our thoughts and prayers are with each of you. Elsie was a wonderful, caring and loving person and will be dearly missed by everyone whose life she has touched during her time here on earth. There is a saying that says, "Those we love don't go away, they walk beside us every day; Unseen, unheard but always near, still loved, still missed and very dear."

“ I'm beyond words nanny you are the greatest woman I have ever known. You have taught and raised me to respect and love no matter what. This is one of the hardest things I have to get threw without being able to call you and talk to you or walk across the street and see you. I know your not suffering but I never thought I'd be facing life without you. I don't know that this pain will ever go away I'm so broken hearted that you had to go home with God. Thank you for everything you have done for me nanny you stood by me when no one else would. You have the most beautiful loving soul and I know you will be watching me still even tho your not here on earth. If there's cars in heaven stay in the slow lane so you don't make anyone mad for driving 25 miles an hour. I'll never forget that only time I heard you curse someone out. You are missed so deeply and I pray you still have your psychic abilities to know when things are wrong. Frank the boys your girls and mom dad and I miss and love you so much. Til we meet again I will hold you close to my heart love your little girl always and forever susie.
