“ Uncle Gene was a really wonderful man, father and a great uncle to have. I always felt that he was proud of me, when I joined the Navy back in 1988. He and I would talk and compare our Navy experiences. He will be greatly missed. But, I know that he was greeted on the other side by my Aunt and they are together again. Fair Winds and Following Seas, Uncle Gene. (On behalf of myself and my sisters and Mom and Dad, a Donation to Disabled American Veterans is being made in Uncle Gene's name.)

“ *My deepest condolences to all of you. Mr. DeMario was a good person and I enjoyed talking to him about history. It was nice to have him and Mrs DeMario right across the street. We were blessed in those early years to have them . I hope you can find some comfort and peace in your memories.*
