“ Trish, George, Karen, Kathy and Ted...I'm so sorry for the loss of your mom. She was a wonderful woman and her memory will live on in so many of us. Growing up, she was like a second mom to me and I will forever remember her trying to keep track of the 5 of you and the extended family 'kids' like me. I'm not sure how she managed to keep her sense of humor intact. I know how much you will all miss her...my heart is with you all.
