February 22, 1946 - June 1, 2026

Fortunat Mueller-Maerki, age 80, passed away on Monday, June 1, 2026, leaving behind a life marked by intellectual curiosity, generosity, and a deep appreciation for family, community, and the study of time. Born in Zurich, Switzerland in 1946, Fortunat developed an early fascination with clocks and watches that would become a lifelong passion. He studied economics at the University of Bern before earning his MBA from Harvard Business School in 1975. Following graduation, he began a distinguished 25-year career with Egon Zehnder International, an executive search firm. In 1980, Fortunat and his family settled in Scarsdale, New York, later making homes in New York City and the Pochuck section of Vernon Township, New Jersey. A respected leader and scholar in the horological world, Fortunat was a longtime member and contributor to the National Association of Watch and Clock Collectors (NAWCC), where he served in leadership roles including Board member and head of the Library Collections Committee. He was honored as a Silver Star Fellow, the organization's highest distinction. An accomplished writer and researcher, he authored more than 200 articles and organized educational study tours throughout Europe and America. Fortunat's lifelong love of books and preservation led him to assemble one of the world's most significant private horological libraries. In 2021, he donated his collection of nearly 25,000 items to the Horological Society of New York, creating the foundation of the Jost Bürgi Research Library, where he

was honored as Librarian Emeritus. In addition to these scholarly pursuits, Fortunat was a founding member of the Zunft Witikon guild, a cultural initiative that

celebrates Zurich's rich traditions and brings people together in fellowship. Beyond his professional and scholarly accomplishments, Fortunat remained committed to service and community. He was a member of the Harvard

Club, the Grolier Club, the Manhattan Rotary Club, and later the Wallkill Valley Rotary Club, and was recognized as a Paul Harris Fellow for his dedication and service.

Fortunat was a lifelong bibliophile, an enthusiastic collector, and someone known for his brilliance, humor, and unmistakable laugh. He is survived by his beloved wife, Ruth, whom he met in middle school; his children, Ruth H. Mueller of Brunswick, Maine, Fortunat C. Mueller and his wife, Shana, of North Yarmouth, Maine, and Matthias Mueller and his wife, Tiffany, of Raleigh, North Carolina; his brother, Andreas Mueller; his sisters, Elisabeth Thoma and Jennifer Mueller; his half-siblings, Christoph Mueller Berva and Sabine Thalmann; and his five cherished grandchildren, Anna-Lia, Jasmine, Sydney, Zarmina, and Emerson.
