“ *I am so sorry to hear of the passing of this wonderful lady. I have known her for years and years, since my early days in high school. My most sincere condolences to the Moore and Hardin families. Debbie, Keith and Rick, may you gather the love and support offered to you like the warmth and comfort of an old favorite blanket. You do not get over losing your mom, just get through. She had the nicest eyes. I wish you all some kind of peace. Debbie, I remember sleep-overs at your house and she was quite some lady to put up with us! You are in my heart.*
