“ *Dear Alba and family,  
Frank was such a nice, happy man. Many times I would go into the Fabric Tree in the early morning and Frank would be busy at work. Although I met him in the later part of his life, he was still a craftsman that took pride in his work. I remember his laugh and his special sense of humor.  
You are blessed to have had such a dedicated and loyal father and grandfather in your life. I am sorry for your loss, my prayers are with you.  
Regards,

“ *Dear Alba and Family,  
I am sorry for your loss. He was a very nice man. I enjoyed spending time talking to Frank at the Fabric Tree. I particularly remember him telling me about his early apprenticeship with an upholsterer in the old country. He learned to be a fine craftsman at an early age. Those skills carried him through a life time. Many people benefitted from those skills.  
Frank will be missed by many I am sure.
