“ I am so sorry to receive this news too late for the visitation. When Fred Hough was Mayor of Wantage he officiated at my wedding. I had never met him before and was meeting him for the first time the day of the wedding. He turned out to be not only very nice but a good sport too. We had our wedding at our home in Wantage. I rode up the street to Frank Sinatra singing "Summerwind" on a white Arabian horse. My father met me at the top of the driveway where we walked to the side of our pond on the property. Mayor Hough performed the service, and we rode off on a motorcycle with balloons on it around the house. I believe he had some fun that day and I could not have been happier that he did that for us. Thanks Mayor Hough and rest in peace.

“ 28 years ago while traveling to Binghamton, New York for a weekend, my husband suffered a life-threatening incident. He required emergency surgery and we would be stranded there for 2 weeks. I was in shock when I walked into a family restaurant and there sat Fred & Betty Hough and some of there family having dinner. When I told him of my situation he handed me money for food and clothing to hold me over during that time. I will never forget what a kind, loving and giving person that Fred was. We will miss you Fred. Rest in peace. Cathy Clink

“ To the Fred Hough family! Your father was an integral part of my life being a friend of my father. He would stop at the house on Rt. 23, and Dad and your Dad would discuss Wantage Township business, share laughter, jokes, and the current events of the times. They had a name for one another that I can pronounce, but not spell; as I do not know if it is truly a, “real word.” Lol 😂 They were old school with honesty, hard work, never quit attitude. Your Dad was a true servant of both his community and family, and respected man on many avenues. Kind, and always had a smile when he came over or stopped by. A true leader, and loved by all! He will be deeply missed by all who were blessed to know and love him. I can still see Mr Hough and Dad chuckling at the dining room table. We are incredibly sorry to Allen, Kathy, Barbara, Karen, & Tommy, as well as all your families on your heartfelt loss of a most memorable, wonderful man. May God give you strength, great grace, as well as love and peace; to carry on in the days, weeks, and months ahead! Our deepest sympathies - Rayna, & Debbie Howell

“ Growing up on Davis Road, Fred and his farm were our “backyard neighbors.” When I was a kid playing outside, Fred would drive past on his tractor and I would always wave & yell, “Hey, Fred!,” And he would always respond, “Hey ,Wilma!“ it always made me laugh, and it made our family smile. Fred’s kindness as a neighbor remains a deeply fond memory for our family. My deepest sympathies to the entire Hough Family. I’m grateful for Fred being a part of our lives. Much love to you all. XO.

“ Living next door - well- almost-going through a hay field that separated us-was a wonderful experience and a way to become a good neighbor. The Jaeger family was near and dear to Fred and his family for many years. We traded tractors, bags of great ear corn, hickory nuts for baking, times together, the Chicken Dance at church socials. A time that was gentler and kinder and our neighbors were important to us. We remember Fred and everyone with love and sadness for his passing. He will always be on his tractor someplace. “ Dear Hough family, my deepest condolences and sympathies to your families at the passing of Fred. I praise God for a life well lived. Fred and my grandfather served together on the Sussex County Soil Conservation and I worked with Fred when I worked for USDA-NRCS. I always enjoyed seeing him at the Sussex County Board of Agriculture chicken barbecue.

“ Dear Allen & Tommy, Kathy, Barbara, & Karen,

I am so very sorry. I've been reading your dad's Life Story this morning through his obit. It is surely his Life's story. What didn't he do. I've been thinking of him a lot since not hearing from him in a long time and didn't know what was happening to him lately, other than getting older as we both have been. I admit to having 10 years to catch up to him. Gosh, such a long friend...I don't think he ever got over my Frank going. They did share a unique friendship, as Fred did with anyone he ever met. So many stories, so many laughs along with tears. Always wonderful visits when we'd stop at the farm before heading home. I only got to stop in once after Frank was gone and will not forget that. Hickory Nuts! Always his wonderful Hickory Nuts that he picked, sorted and shelled himself. I loved them.

I will not be attending services but you will all be on my mind and in my heart. I hope you are all well and adjusting to today's world. It is certainly not the way Fred Hough would run it. God Bless you all. ...and he's with his Betty :-)

Very Sincerely,

Eleanor Gromlich
