“ Fred, you were definitely a ball of fire sometimes and I remember many times growing up where you made us kids on the block "a little nervous" but all in all you were a great neighbor and now you can rest peacefully. My condolences to your family and I'm very sorry for your loss. R.I.P

“ *Fred, you sure were a force to be reckoned with but you did have a very kind heart and a wicked sense of humor. RIP*

“ I just heard of the passing of my boss, mentor and friend Fred. Fred gave me my first opportunity in the cable television industry back in 1992. Fred was grouchy, funny and warm all at the same time. We lost touch about four years ago. I'm so sorry for the family's loss. My deepest condolences to all. R.I.P Bossman...
