“ I met this amazing woman while I was a teenager and she never failed to have a word of wisdom each time I spoke with her. I always left feeling encouraged and tried to follow her example encouraging others. Such a positive impact on my young heart. All these years later and she still brings a smile as I remember praying with her. Such an amazing woman of God. She will be missed.

“ When I was in Medical Assisting School, I had the pleasure of meeting this wonderful women. I would take her vitals and we would chat for hours about how we went to the same church, how we knew all the same people and how similar we were when it came to caring for people in need. She taught me very valuable life lessons and the last time I saw her she gave me a watch, and told me it was hers when she worked in the hospital and wanted me to have it and use it as a symbol of hope to never give up and to always keep striving for the best you can be. She was a true believer of Jesus Christ and we also shared that love for him. She will be dearly missed and was and will always be Someone I will remember. I'm so sorry for your loss, she was truly an amazing, kind soul.

Genevieve was a faithful servant of the Lord and an extension of His love and blessings to all who were fortunate enough to cross her life's path. (Her grandson Paul will be the first to welcome her to Heaven). Rest in perfect peace.
