“ You were taken from us much too soon. It was such a shock when we heard! We will miss you, but we do have all the memories to get us through. Especially how cute you were as ring bearer in our wedding.

Till we meet again, rest in peace. Love your stepmother Elaine

“ I love you daddy. You were precious to me and I know for a fact that I was your pride and joy. I am still hearing you say "hey babe" as you answered my calls, and it keeps replaying in my head. You're laugh was one of a kind and it put a smile on thousands of others. I've talked to people from all over, and that's one thing that no one will forget. Your smile and laugh were beautiful. I can not wait to be with you again and I know you are up there smiling down on me. I know you will hold my hand every step of the way, and I will just take one step at a time until I am with you walking on the streets of gold up in heaven. Rest in Peace my beloved father! You looked so handsome in your suit tuesday and wednesday and I just wish I could see you all dressed up walking me down the aisle when I get married. I kept your favorite cologne so I could smell your warm embrace. You are my sunshine! Everyone's sunshine. Yellow must have been your favorite color for a reason, and that reason is the sun. I wish I could ask you what it's like to be up in such a glorious place with such an amazing God. Some day we can be happy together again! I love you with my whole heart and no one will ever replace you. RIP. LOVE YOU!

“ For our closest cousin to us, may you rest in peace & watch over us all. Our condolences to his family, especially his Alicia, you made your father so proud, you were his light & he let it shine. I'll look back on the memories we grandkids shared at grandma's over all these years & keep smiling because no matter what, we all kept each other laughing. Much love.
