“ George was always the clown with us at Walkkill. Cheryl and girls, my thoughts and prayers are with you. He was a great person and enjoyed life. He brought that fun loving spirit to work and made us laugh. When he and Jack came in the Board office we knew that our work would stop and laughter would start.

“ My condolences to the family. I have worked at Walkkill Valley since 1985. George will be missed. I was always impressed with the wreaths he made. I will have fond memories of the ones I got last year from him. It appeared as though it was a labor of love for him. May God give you peace.
