“ *I feel so blessed to have been able to spend lots of time with Evie when she visited Julie in Florida for the winter. Oh the adventures that we had!!! Boats, and sponges, aquariums, beaches, tea parties and on and on. Her dry sense of humour was always present and she made our outings so fun. I learned lots from her, including how to make some very yummy vegetable dishes and pies and I benefited from her common sense approaches to every day challenges. She will be truly missed. Sincere condolences to her family and friends. Patricia and Clive Burnett*
