“ Witty, funny guy. Up to date on current sports and news. Just a well rounded individual that can keep a conversation going for hours! It breaks my heart that you are no longer with us, yet, I’m relieved that you are no longer suffering. Double edge sword I know and I kinda feel you’re snickering down on me. That’s ok cause that’s the Gerald I know. You’ve been a good brother in law and we had some good times and good laughs. Giving me the blessing to marry your sister was an honor I’ll always hold close. RUSH will be played to celebrate you and your memory will live on. So say hi to Neil up there for me and go hang with Nana, Minnie and Nee.....no longer suffering.....you’re home.
